Become an Angel of Yoga!

It is important to us that our unique yoga creation, called **Unfolding Wholeness™ with Yoga**, reaches or supports people facing serious health or life challenges, or people who would not normally receive a gift of this value and beauty. It is our wish that the guidebook and cards in the keepsake box offer people an experience of calmness, serenity and peace.

The simple breath instructions and meditation techniques are helpful particularly in challenging moments. The physical pose instructions are there for those who are drawn to move the body in that way, and the simply explained, non-sectarian elements of yoga philosophy are delightful for quiet contemplation and reflection. The elegant box becomes the holder of not only the yoga cards but of added cherished messages and keepsakes.

Give a copy *Unfolding Wholeness™ with Yoga* to a person you know would benefit from receiving it, or to an organization that could use it for fundraising or for services within their mandate. For example, we have donated copies for use by the women at Nova Transition House of CHIMO in Richmond, BC and for fundraising by organizations such as Gateway Theatre, SOS Children's Village of BC, Heart of Richmond Aids Society and Families For Children, to name a few.

Here's how you may become an Angel of Yoga:
